Notice concerning transferability of Credits and Credentials earned at our institution

The transferability of credits you earn at Veterinary Allied Staff Education (VASE) is at the complete discretion of an institution to which you may seek to transfer. Acceptance of the certificate you earn in Registered Veterinary Technician Alternative Route Program is also at the complete discretion of the institution to which you may seek to transfer. If the certificate that you earn at this institution is not accepted at the institution to which you seek to transfer, you may be required to repeat some or all of your coursework at that institution. For this reason you should make certain that your attendance at this institution will meet your educational goals. This may include contacting an institution to which you may seek to transfer after attending VASE to determine if your certificate will transfer

STUDENTS RIGHT TO CANCEL

Students have the right to cancel and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. Cancellation shall occur when you give written notice of cancellation at the address of the school; **VASE, PO BOX 278, DIXON, CA 95620**. You may submit a cancellation notice by mail to the above address or hand delivery. The written cancellation, if sent by mail, is effective when deposited in the mail properly addressed with postage prepaid.

Payment and Refund Policy:

The student may cancel/withdraw the enrollment agreement at any time; the student will be refunded full amount of monies paid less \$100.00 registration fee during the enrollment period as stated above. The student may cancel/withdraw from a course after instruction has started and receive a pro rata refund of the unused portion of the tuition and other refundable charges if the student has completed 60% or less of the instruction.

The cost of the course is \$5000.00. Payments can be made by cash, check, money order, or credit card. Tuition is due in full by the completion date of the class the student is enrolled and will be interest free until that date. Should payment not be made in full by the end date of the program in which the student is enrolled all credentials will be held by Veterinary Allied Staff Education, LLC until all monies are paid. An interest rate of 7% will accrue on the unpaid balance and the student will be required to complete a Tuition Payment Plan or a Retail Installment Agreement. An initial minimum payment of \$1500.00 is due prior to the start date of the class in which the student is enrolling in order to begin that program.

Refunds will be made on a percentage of amounts paid to the time attended minus non-refundable application fee. This refund policy is for those students who have completed 60 percent of the course or less. Students who

have completed 61 percent or more of the course are not eligible for a refund.

The total hours for the program are 306. The cost of the program is five thousand dollars (\$5000.00). Calculated according to CEC 94820 and 94931, this equates to \$16.34 per hour. Therefore, if a student attends 48% of the program the refund would be, cost of the program (\$5000.00) less their obligation (48% of 306 hours x \$16.34 + \$100 non-refundable deposit).

Example:

48% of 306 hours = 146.88 hours x \$16.34 = \$2400.02 + \$100.00 = \$2500.02. Total cost of the program \$5000.00 – student’s obligation \$2500.02 = student refund of \$2499.98.

VASE, without penalty or obligation, shall refund 100 percent of the amount paid for program charges, less the application fee of the one hundred dollars (\$100.00), if notice of cancellation is **made prior to or on the first day of instruction, or the seventh day after enrollment, whichever is later.**

Students who have not attended the first week of class will be dropped from the program. A refund at a prorated scale of the tuition will be provided, except for the non-refundable registration fee. The student may reapply for the next Registered Veterinary Technician Alternate Route Program without an additional registration fee. This is a one-time only consideration. Students must maintain a “C” average to be eligible for course completion.

VASE shall pay or credit refunds due on reasonable or timely basis, not to exceed 45 days following the date upon which student’s withdrawal has been determined.
